JANUARY/FEBRUARY 2008

From our Director: **Claudia J. Curry**

Another year has come and gone. Time goes by so quickly, so let us learn to enjoy each moment we have. I look forward to this being one of the best years here at the Center.

Last year was a record year for the Center in terms of our enrollment and member participation in all of our events. This year we will be adding some new classes and activities. If you have an ideas please feel free to pass them on.

I would like to encourage each of you to renew your membership with the Friends of the Center. The Friends support the Center by providing supplies, activities, parties and our Annual Volunteer Luncheon. We could not run the Center as effectively as we do without the Friends. Friends could not provide us the support we need without your donations. Remember, any donation to Friends is tax deductible. So if you would like to make a donation please feel free. Renewal of membership is only a \$10 (Ten Dollars) donation per year. Watch your mail for a letter telling you where to send your donation.

As always, I will close with a quote:

*Making New Year's resolutions is a cleansing ritual of self assessment and repentance that demands personal honesty and, ultimately, reinforces humility. Breaking them is part of the cycle.*

— Eric Zorn
